

Red Rock Remodel Keeping You Informed

February 24, 2006

Good Things are Happening in Sedona!

The majority of the new curbs and gutters have been installed on the west side of 89A, and work on the first and second phases of the Remodel continues (from SR 89A at Jordan Road south to Forest Road).

While Jordan Road will open on the weekends from late Friday afternoon until Monday morning, it will continue to be closed in both directions from SR 89A to Mesquite during the week until Friday, March 10, 2006. **In support of the St. Patrick's Day Parade, Jordan Road will be open on March 11.**

Tiffany Construction is planning to stop construction for Spring Break on Friday, March 17 until Sunday, April 30.

City staff and representatives from Tiffany Construction, the City's contractor, will hold the next update meeting for anyone interested in the project on Friday, March 3 at 8:00 a.m. at the Wayside Chapel. Future update meetings will be held throughout the entire duration of the Red Rock Remodel, every other Friday at 8:00 a.m. at the Wayside Chapel.
